

MHFC Exemplary Schools Program & Mayor's Healthiest Schools Application

School Year 2022 – 2023

Overview

The **MHFC Exemplary Schools Program** highlights schools that have implemented healthy changes to create school environments that support the health and well-being of students. Schools that demonstrate practices above the state and federal standards are eligible to be certified as exemplary schools. Additionally, these schools can participate in the **Mayor's Healthiest Schools Award** program by completing an additional set of questions about the health and wellness initiatives on their campus.

Who can apply?

Districts with any school campus within the Austin city limits is eligible to apply, including: Austin Independent School District, Manor Independent School District, Pflugerville Independent School District, Round Rock Independent School District, Leander Independent School District, Del Valle Independent School District, and Eanes Independent School District.

All schools that apply will be considered. No preference will be given to school size, location, public/private sector, school district, etc. Winners will be determined using a point system based off responses to the online application (exemplary school application + supplemental questions).

Awards are given at the **elementary** and **middle** school levels.

Why should my school apply?

Each year, the MHFC hosts an awards ceremony at City Hall to recognize the efforts of partners who strive to make Austin the fittest, healthiest community in America.

All schools with an '**Exemplary**' rating receive:

- Outdoor vinyl banner
- Group recognition & photo at the awards ceremony
- Recognition on the [MHFC website](#) as an exemplary school

In addition, the **Mayor's Healthiest Schools Awards** will be presented to the top-scoring elementary and middle schools:

- \$1,000 award mini-grant to support ongoing school health and wellness initiatives
- Outdoor vinyl banner
- Individual recognition & photo at the awards ceremony with the Mayor
- Recognition on the [MHFC website](#) as an exemplary school and winner

Applications must be completed online. Please only submit one application per campus.

Health Initiatives (up to 3 total)

The following questions relate to health initiatives that your campus hosted or participated in during the past year that best demonstrate your commitment to student health & wellness. Please do not include items already represented within the application (e.g. CATCH night, Family Field Day, etc.). This is a chance to show how your campus really excels in health and wellness. **Health initiatives should represent ongoing commitment to health and wellness and can include one-time health events.**

You will be given the opportunity to include up to 3 health initiatives at your campus on the online application. Each initiative will be scored and combined with points earned in above questions to determine the Mayor's Healthiest Schools Award Winners. We recommend that you include all 3 health initiatives (if you have relevant examples), as each one will bring additional points to your application.

1) Briefly describe a WSCC/CSH initiative that was implemented this past year. In your description please specify how it addressed one (or more) of the components of the WSCC/CSH model. **(Limit 200 characters.)**
